CPHS Daily Announcements Mon. Nov. 23

Attention Seniors: This year's senior trip will be Thursday, May 20. The trip includes deluxe motorcoach service to Mackinac City, breakfast buffet, round-trip ferry service to the island, lunch on your own and a carriage tour of the island. Before returning home, we will stop for dinner in Mackinac City. The price is $220. An initial deposit of $75 is due to Ms. Davis by January 8.

BUS 29 is the **bowler's** bus to Westgate after school for those that need a ride!

Are you a student who enjoys math and science, has an interest in engineering, or just wants a chance to collaborate with your peers on a project? Mr. Weller is looking for interested students who would like to launch an Engineering Club. The club would meet after school starting in January, and would be a hybrid of lecture and lab setting, with lectures focusing on engineering practices such as manufacturing processes, while labs will focus on group collaboration to achieve a common goal. Any interested students should reach out to Mr. Weller in B206 or through email to let him know you are interested, and keep an eye out for an informational meeting during flex before the end of the semester.

If you are a **FALL SENIOR ATHLETE** that had a banner, it can be picked up in the athletic office (main office.) Thank you!

Work-based learning students - please turn in your hours for the weeks of Nov. 9 and Nov. 16 to Mrs. Rider either today or tomorrow.

It's a GREAT DAY to be a PANTHER!
