Looking to help make CPHS more inclusive and be a leader? Then join the Youth Activation Committee next week Tuesday during Flex for our first meeting of the year. This club will meet at least once a month during Flex and is a great way to get involved in the school and our Unified activities. If you have any questions, please see Mrs. Hovenkamp.

Love to sing? Club Choir is looking for students who are passionate about singing and eager to perform the songs they love. From a cappella to rock, pop, and blues, we'll make music together and build a community of singers. Our first meeting will be Wednesday, September 17 during Flex.

Curious about what happens behind the scenes? Beyond the Stage is a new theatre club all about technical theatre—lights, sound, costumes, props, and set design. Students will get hands-on experience with everything that brings a show to life. Interested students can sign up to attend the first meeting Tuesday, September 17 during Flex.

Are you interested in playing on this year's Powder Puff team? There will be two games this year! Freshman vs Sophomores and Juniors vs. Seniors! The games will be held on Monday, October 6. See Miss Veneman to pick up a permission slip.

Good luck to our boys varsity tennis team, they're at Fruitport this afternoon! Make it happen Panthers!
