

Comstock Park High School

Suggested Supply List

Start the school year prepared and organized!

General Supplies for All Students

- Pens (blue or black ink)
- Pencils (mechanical or traditional)
- Highlighters (multiple colors)
- Spiral notebooks or composition books (1 per subject)
- Folders or pocket folders (1 per subject)
- 3-ring binders (with dividers, as needed)
- Loose-leaf notebook paper (college ruled)
- Wired headphones or earbuds (compatible with Chromebook use)
- Backpack or book bag

Organization Matters

Students are encouraged to explore and use the organization system that works best for them—whether that's:

- Color-coding folders
- Using a binder for each class
- A single multi-subject notebook
- Digital tools for notes and assignments

Developing these habits now builds lifelong learning skills!

Graphing Technology in Math Courses

While not required, it is the strong recommendation of the CPHS Math Department that students purchase their own TI-83 or TI-84 graphing calculator for use in math courses.

- Desmos graphing technology will also be utilized in instruction and is allowed on all CPHS math standardized assessments.
- For students who are unable to purchase a graphing calculator, devices may be available for checkout with a deposit.
- Priority for checkout may be given to students who qualify for free or reduced lunch.

Please Note

Individual teachers may request additional or specific supplies for their classes. These will be shared during the first week of school.

If you have questions or need assistance with supplies, please contact the CPHS Main Office at (616) 254-5200.
