

Comstock Park Public Schools

Pine Island Elementary
6101 Pine Island Drive
Comstock Park, MI 49321

1/24/23

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Pine Island Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. Brian Morrison for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,10256,1038,90, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as: HAS NOT BEEN GIVEN ONE OF THESE LABELS.

Pine Island continuously works to improve all aspects of the educational process. Our focus continues to be on Math and ELA. We continue to build our PBIS program and use Leader in Me to complement these efforts. We are thankful to our parents, staff and community for supporting these initiatives.

School Placement (Pine Island grades 3-5)

All students entering K-5 will go into their respective grade based on age and/or grade level completion. Students are assessed to determine added intervention needs and then placed into additional assistance programs within the grade structure.

School Improvement

Pine Island works collaboratively with their building School Improvement Plans, as well as the District Implementation Team, to ensure that the delivery of instruction is research based and considered best practice. We are confident that by continuing to work through our school improvement process, Comstock Park will improve its mission of success for all. For our complete District School Improvement Plan, please visit our website at www.cppschoools.com.

Core Curriculum:

Comstock Park Public Schools’ staff and administrators work collaboratively to align all curriculum areas with state and national standards. The process of aligning curriculum is an ongoing process that is ever evolving with the changes to technology, research-based resources, etc. We continue to push to higher levels to prepare our students to be college and career ready. If you have immediate questions or needs regarding copies of our curriculum documents, please contact Brian Morrison at 616 254-5500.

Parent-Teacher Conferences

We are proud to report for Fall of 2021 we had 91% attendance and 93% for fall of 2022
