

Hello, Mill Creek, it is Thursday, May 15th.

Students, we are beginning a new office procedure starting Monday, May 19th that will be permanent going into next year and beyond. Please pay attention to the following announcement. In order to report to the office, students must have a pass from a teacher or be called down by an office staff member. Teachers - If a student asks to report to the office, you must find out why & which staff member they need to see. Please call the office to see if that person is available. If students do not have a valid reason, please keep them in the classroom. Thank you for your understanding and cooperation. If you need to refer to this policy, please check the posting in the Panthers Google Classroom.

The election results are finally in...congratulations to the Class of 2029 Student Leadership representatives:
